### **“Classic and Classy” Cocktail Demonstration at Schuler’s**

MARSHALL, MI, June 29, 2009 ---Can't tell a Gin Fizz from a Gimlet? Think a Sidecar is something you'd see at the racetrack? If your idea of a wild night is a few Lemondrop shots washed back with a Cosmo, you're in need of some cocktail therapy! And there's no one better to tell you everything you need to know about cocktails than Schuler's Restaurant and Pub bartender, Jonah Curtis.

On Monday, July 27<sup>th</sup> at 6:00pm, Schuler's will host a special evening of “Classic and Classy” cocktails—with demonstrations and tastings of several traditional cocktails, as well as a couple of new creations that will be sure to please. Admission is \$18 for Tasters Guild members and \$23 for non-members. Reservations are required, as seating is limited. Call 269-781-0600 for details.

The current popularity of cocktails has given rise to what some are calling “a new golden age” of cocktails. Beginning in the early '90s, the martini led the way to a renewed interest in creative combinations of spirits, and that interest is being celebrated in restaurants across the country and in publications such as the New Orleans Brennan Family's *In the Land of Cocktails*, which trumpets the mantra of “No Bad Cocktails.” The current cocktail craze relies heavily on fresh ingredients, creative presentations, and catchy names. Where else can you find a “Singapore Sling,” a French 75, “Tequila Mockingbird” and more? If you're interested in sampling a few standout cocktail offerings and in learning how to make these drinks at home, Schuler's is the place to be on July 27<sup>th</sup>.

As a reminder, Schuler's is also hosting a special wine tasting celebrating the 100<sup>th</sup> Anniversary Schuler private label wines on Monday, July 13<sup>th</sup>, at 6:00pm. There are still spots available for this tasting and hors d'oeuvres event. Other upcoming events at Schuler's include a “Pizza and Pinot” wine tasting on August 10<sup>th</sup>, and the annual fall wine dinner in October.
